

THALIA WRIGHT

Curriculum Vitae Meae

Website: www.ulthar.xyz

Email: yimir@ulthar.xyz

Sourcehut: sr.ht/~thalia

Github: github.com/halcyonseeker

Skills

Unix programming Primarily C, Go, and Posix Shell (+ Bash) in both BSD and GNU/Linux. I'm also comfortable with staples of modern software development like Git and the GNU Emacs and Vim text editors, and have experience with other programming languages, particularly C++ and Python.

Unix system administration Both for desktop and server use. I'm especially familiar with FreeBSD and Arch GNU/Linux, and have experience managing the Nginx webserver, the Prosody XMPP chat server, and FreeBSD Jails.

Web development With a strong focus on accessibility, minimalism, and sites that are usable in *any* web browser.

Multicultural experience I grew up in a US foreign service family in the Philippines, Nigeria, Tanzania, the US, Ethiopia, and Thailand so I'm comfortable traveling abroad and working with diverse groups of people.

Common office software I'm proficient with Google Drive and L^AT_EX and I know my way around MS Office and LibreOffice.

Languages I speak native English, basic Russian, and I can translate Latin.

Programming Projects

audible-dl (Go) An archiving tool for personal Audible libraries, basically functional but still a work in progress (sr.ht/~thalia/audible-dl).

tannhauser (Shell, Awk) An experimental Gopher CGI gateway that runs on localhost to make Gemini capsules viewable from a Gopher browser (git.sr.ht/~thalia/tannhauser).

Work Experience

Reed SB Assistant Webmaster May 2021 – present. I'm the assistant webmaster for the Reed Student Body's website at reedsb.com. It's mostly built using Javascript and PHP, it runs on a GoDaddy server, and it relies on Google Firebase.

Academic Experience

International School Bangkok Graduated in 2019 with an IB Diploma.

Reed College I'm a rising junior intending on majoring in Computer Science and minoring in Russian with a prospective graduation date in 2023.

Completed University Coursework

- **Rus220** Second-Year Russian
- **Rus/Lit266** Russian Short Fiction
- **Russ120** First-Year Russian
- **CSCI396** Computer Networks
- **CSCI389** Computer Systems
- **CSCI221** CS Fundamentals II
- **Math113** Discrete Structures
- **Math112** Intro to Analysis
- **Math111** Calculus
- **Hum110** Introduction to the Humanities
- **Chem101** Molecular Structures and Properties
